U.S. Department  
of Transportation  
**Federal Highway  
Administration**

**National Household  
Travel Survey**

**Are you concerned about traffic?** Travel and traffic have increased everywhere. Improving safety and reducing congestion in your area is an important goal. For this reason, the U.S. Department of Transportation is once again conducting the National Household Travel Survey so we can learn ways to better meet your travel needs. To do this, we need your help to understand how and when you travel from one place to another whether it is by car, bus, train, walking or biking.

In about a week, an interviewer for the National Household Travel Survey will call and ask some questions about you and your household and will ask you to tell us about the trips you make for just one day. When you participate your household will represent thousands of other households in your area. Please help us by agreeing to participate in this very important national study. Your participation is voluntary and any personal or identifying information will be kept confidential.

This survey is important for the future of our Nation's travel. Your answers will help us address our Nation's ever changing transportation needs. Enclosed you will find a small token of appreciation for your help. If you would like to learn more about the survey, you may visit our Web site at: [www.fhwa.dot.gov/policy/index.htm](http://www.fhwa.dot.gov/policy/index.htm)

If you have any questions about the survey, please call our survey manager, Susan Swain, at **1-888-817-2810**. You may also contact Della Santos at the U.S. DOT at **202-366-5021**.

I thank you in advance for your participation.

Sincerely,

*Heather Contrino*

### *We need YOU...*

*Your participation helps us make the right decisions about future improvements.*

### **What the National Household Travel Survey (NHTS) is all about**

The U.S. Department of Transportation collects information about your travel to understand how well the roads and highways, bus, and rail systems are working, and to plan for the future. We are asking you to help us by taking part in this survey. Your answers help us build a snapshot of how, when, and why people travel in their daily lives.

#### **Tell Us About Your Travel**

You and the members of your household are asked to keep track of all the places you go, by any type of transportation, for one day. A diary will be sent to you to help you keep track of your travel.

#### **About the NHTS**

The American public has been telling us about their travel periodically since 1969. The results have been used to improve safety, reduce congestion, track air quality improvements, and plan for future transportation investments.

If you would like to know more about the survey please visit our website at:

#### **What's in it For You?**

**Satisfaction:** Good decisions need good information. You can make a difference!

**Importance:** We picked **YOU** to represent thousands of others. Your travel information is very important.

**Enjoyment:** Our telephone interviewers are well-trained and courteous. We hope you will enjoy talking to them.

## Necesitamos de USTED...

*Su participación nos ayudará a tomar las decisiones apropiadas para hacer mejoras en el futuro.*

### ¿De qué se trata la Encuesta Nacional de Transporte en el Hogar (NHTS)?

El Departamento de Transporte de los Estados Unidos recoge información sobre sus recorridos para entender cómo están funcionando las calles y autopistas, y los sistemas de buses y trenes, y así hacer planes futuros. Le pedimos que colabore participando en esta encuesta. Sus respuestas nos ayudarán a formarnos una imagen de cómo, cuándo, y por qué la gente se moviliza diariamente de un lado para otro.

### Cuéntenos Acerca de los Recorridos

Le pedimos a usted y a los miembros de su hogar que, por un día, tomen nota de todos los lugares a los que vayan, cualquiera sea el tipo de transporte usado. Se le enviará una hoja de registro en el que podrán ir anotando sus recorridos.

### Acerca de la Encuesta

Desde 1969, el público norteamericano nos ha venido informando periódicamente acerca de los recorridos y viajes que ellos hacen. Los resultados han sido usados para mejorar la seguridad, reducir la congestión, e ir viendo cómo progresa la calidad del aire, además de planear futuras inversiones en el transporte.

Si desea obtener más información acerca de la encuesta, por favor visite nuestro sitio en Internet:

[www.fhwa.dot.gov/policy/ohpi/nhts/nhtsspinfo.htm](http://www.fhwa.dot.gov/policy/ohpi/nhts/nhtsspinfo.htm)

### ¿Y Usted qué Gana?

**Satisfacción:** Para tomar buenas decisiones, se necesita buena información. ¡Usted puede marcar la diferencia!

**Importancia:** USTED fue elegido para representar a miles de otras personas. La información sobre sus recorridos y viajes es muy importante.

**Experiencia Agradable:** Nuestros entrevistadores telefónicos son amables y bien capacitados. Esperamos que usted disfrute hablando con ellos.

Dear [NAME]:

**Thank You!** On behalf of the U.S. Department of Transportation, I thank you and the members of your household for taking part in the *National Household Travel Survey*.

As we explained in our recent telephone call, this packet provides everything your household will need to record your travel for our interview.

- A travel diary for each household member with instructions and an example on the back.
- A card reminding you of the assigned travel day. *Please put it where everyone can see it, such as on your refrigerator.*
- A brochure telling you more about the study.
- A form to record the odometer (mileage) readings from each household vehicle.

Please record all trips that you and each member of your household take on your assigned travel day. We ask each member to complete his or her own diary whenever possible. Even if your travel on that day is not typical, we still want to know about it. If you are uncertain about whether to include a trip, go ahead and record it.

After your assigned travel day, we will call you to ask some additional questions about transportation. We would like to talk to each person age 16 or older individually, but ask that an adult respond for younger household members.

Any personal or identifying information you give us will be held confidential. We really appreciate your participation—it is extremely important for planning for future transportation.

If you have any questions, you may contact the survey team toll free at 1-888-817-2810 or by e-mail at [DOTSurvey@Westat.com](mailto:DOTSurvey@Westat.com). Thank you once again for participating in the survey.

Sincerely,

Heather Contrino  
U.S. Department of Transportation

Estimado(a) [NAME]:

**¡Muchas Gracias!** De parte del Departamento de Transporte de los Estados Unidos, le doy las gracias a usted y a los miembros de su hogar por participar en la *Encuesta Nacional de Transporte en el Hogar*

Tal como le explicamos en nuestra reciente llamada telefónica, este paquete contiene todo lo que necesitarán en su hogar para anotar los recorridos para nuestra entrevista.

- Un diario de recorridos para cada miembro del hogar con instrucciones y un ejemplo al dorso.
- Una tarjeta para recordarle el día que les ha sido asignado para anotar sus recorridos. *Por favor póngala donde todos puedan verla, tal como en el refrigerador.*
- Un folleto con más información sobre el estudio.
- Un formulario para anotar las lecturas del odómetro (millas recorridas) de cada vehículo que se use en el hogar.

Por favor anote todos los recorridos que usted y cada miembro de su hogar hagan durante su día asignado. Le pedimos que en lo posible, cada miembro complete su propio diario. Aunque en ese día sus recorridos no sean los que usted normalmente hace, igualmente queremos que los anote. Si no está seguro(a) si debe incluir o no uno de sus recorridos, anótelo de todas maneras.

Después del día de recorrido que le ha sido asignado, le llamaremos para hacerle algunas preguntas más sobre transporte. Quisiéramos hablar por separado con cada persona de 16 años de edad o más; pero pediremos que un adulto responda por los miembros del hogar que tengan menos de 16 años.

Toda información que usted nos entregue que sea personal o que pueda identificarle será mantenida en forma confidencial. Apreciamos verdaderamente su participación – es de extrema importancia para planear el transporte en el futuro.

Para cualquier pregunta, puede llamar gratis al personal encargado de la encuesta al teléfono 1-888-817-2810 o escriba un e-mail a [DOTSurvey@Westat.com](mailto:DOTSurvey@Westat.com). Una vez más, muchas gracias por participar en la encuesta.

Atentamente,

Heather Contrino  
Departamento de Transporte de E.E.U.U.

Por favor use su hoja de registro para  
anotar todos los lugares adonde usted va.

**NHTS 2008 Odometer Mileage Form**

HH ID #:

«CATIID»

For each household vehicle listed below:

Please use this form to record the odometer mileage reading and the date when you read the odometer. The best time to record the mileage is sometime during your travel day.

Many odometers show two readings -- one shows the mileage since the vehicle was new and the other can be reset to zero whenever you want. Write down the odometer reading that shows the mileage for the entire life of the vehicle, not the reading that can be reset. Do not record the last digit if it represents tenths of a mile. For example, if the odometer reading is 53,562.4, record 5 | 3 | 5 | 6 | 2 |

An interviewer will ask you for the readings when we call to collect your travel information. Thank you for participating in this important part of the study!

Record odometer mileage and the reading date for the following vehicles:

Vehicle Year	Make	Model	Odometer Reading (do not include tenths of a mile)	Date of Reading (month/day/year)
1.	«VehicleYear1»	«VehicleMake1»	«VehicleModel1»	_ _ _ _ _ _ _
2.	«VehicleYear2»	«VehicleMake2»	«VehicleModel2»	_ _ _ _ _ _ _
3.	«VehicleYear3»	«VehicleMake3»	«VehicleModel3»	_ _ _ _ _ _ _
4.	«VehicleYear4»	«VehicleMake4»	«VehicleModel4»	_ _ _ _ _ _ _

**Hoja del Odómetro (Millaje)  
para la Encuesta Nacional de Transporte en el Hogar 2008**

HH ID#: 10000091

Por cada vehículo anotado en esta hoja:

Por favor use esta hoja para anotar la medición del odómetro (millaje) y la fecha de cuándo usted leyó el odómetro. El mejor momento para anotar el millaje es en el algún momento durante su día asignado.

Muchos odómetros muestran dos mediciones – una muestra el millaje desde que el vehículo era nuevo y la otra es un contador que puede ponerse en cero cuando se desee. Registre la medición del odómetro que muestre el millaje de toda la vida del vehículo y no la medición del contador que puede ponerse en cero. No registre el último dígito si representa décimos de milla. Por ejemplo, si la medición del odómetro es 53,562.4, anote 5131516121.

Cuando llamemos a recoleccionar su información de recorridos, un entrevistador le preguntará a usted por estas mediciones. ¡Gracias por participar en esta parte importante del estudio!

Registre el odómetro (millaje) y la fecha de medición para los siguientes vehículos:

Número de Vehículo	Año	Marca	Modelo	Medición del Odómetro (no incluya décimos de milla)	Fecha de Medición (mes/día/año)
1.	1986	make 01	model 01	_____	___/___/
2.	1987	make 02	model 02	_____	___/___/
3.	1988	make 03	model 03	_____	___/___/

9.	1994	make 09	model 09	_____	___/___/
10.	1995	make 10	model 10	_____	___/___/

Por favor registre cualquier vehículo que no esté anotado arriba, pero que era suyo (como propiedad o en "lease") o anote vehículos disponibles para uso regular por parte de su hogar, durante el día 1/15/2008

Número de Vehículo	Año	Marca	Modelo	Medición del Odómetro (no incluya décimos de milla)	Fecha de Medición (mes/día/año)

## NHTS REMINDER CALL PROCEDURES

1. Check to see if there are any RIS calls to complete for the day by looking in the “today” file.
2. RIS’s have specific CB **DAYS**, but do not have specific CB **TIMES**. The reminder calls will be spread out across the CB **DAY**, and should typically be made when we’re out of id’s. Reminder calls **MUST** be completed on the scheduled day
3. Before placing a reminder call, you need to review **ALL** the information supplied on the RIS (i.e., who the screener respondent was, the HH travel period, the time of their extended appointment, any notes recorded by other interviewers who have contacted the HH, etc).
4. When placing reminder calls you **MUST** log onto Paper Studies – NHTS 08 Reminder Calls. The password is WES. You will not need CATI for these calls.
5. Ask to speak to the HHM listed as the screener respondent (this is the 1<sup>st</sup> name listed in the Household member’s box on the RIS). If the screener respondent is not available, ask to speak to another ADULT (16+) HHM. If no adult HHM is available you may leave a message with the person to whom you’re speaking.

**If the respondent didn't receive the diaries in the mail:**

It is not necessary that you have the materials that we sent. I can tell you about the type of information you'll need to track.

Each TRAVEL DAY begins at 4 a.m. and concludes at 3:59 a.m. the following day. You should record all trips you make during this time period.

For each TRIP you take you need to record:

1. Where you go (be as specific as possible i.e., record the locations address or nearest cross-roads);
2. What time you began your trip;
3. How far you traveled to get there (blocks or miles);
4. The means of transportation you used (i.e., car, bus, bike, walk, etc.);
5. How long it took you to get there (e.g., trip start & end times);
6. Who was with you?

Before I end, I'd like to confirm that your travel day is {READ DATE FROM RIS}.

We will be calling back on {READ DATE FROM GRID ON RIS} at {APPOINTMENT TIME FROM GRID ON RIS} to collect your travel information.

\*\*\*Feel free to make any necessary notes on the RIS.

**MESSAGE ON ANSWERING MACHINE FOR REMINDER CALL**

Hello, my name is {DATA COLLECTOR'S NAME} and I am calling for the Department of Transportation to remind you and other members of your household to record your travel for {TRAVEL DATE FROM RIS} in your travel diaries. . If you have any questions or concerns please feel free to call us at **1-888-817-2810**. DOT appreciates your help in determining the future transportation needs in your area.

### THANK YOU SCRIPT

Thank you for your active participation in helping the Department of Transportation understand the future transportation needs in your area. We appreciate your help.

### RIS Result Codes

Place an 'X' or a 'Check mark' in the space next to the appropriate code on the RIS.

**Completed:** Contact was made with someone in the HH—the RIS should be returned to a team leader, and placed in the “to be filed folder.”

\*\*\*R's may decide that the appt. time for which they were previously scheduled needs to be changed. Ask the R to provide a better CB day/time and note it on the RIS. If there are multiple HHM's the R may only be reporting the time is bad for them. Ask about the other HHM's. Do not assume the CB time is bad for everyone.

When an appointment time requires change a **team leader MUST** change the appointment in CATI before the RIS is filed.

**Refused:** Some R's may attempt to refuse during the course of the reminder call. You should attempt to convince of the importance of their participation. If you are unable to gain their continued participation attempt to obtain their name.

For each case in which a R has refused you will need to access the case through CATI by entering a '2' on the work a case screen. **DO NOT PICK UP THE PHONE (or DIAL THE PHONE) AS INSTRUCTED BY CATI.** Once you reach the intro screen enter a 'GT' and code the case a refusal (make sure you provide as much information as possible on the NIRF). Do not assume the person with whom you're speaking is refusing for all HHM's. You should **ONLY** code HHM's as refused if the R is refusing for them.

The RIS should be placed in the “to be filed folder.”

**Left Message:** Leave the appropriate message and place RIS in the “to be filed folder.”

**No Contact:** If we try to call a HH and there is no contact (ring no answer) keep it in the “today” file, so we can keep trying to reach someone.

If the number has been disconnected, or there is some other strange situation in which we can't reach a person or leave a message, provide an explanation in the blank area below the RIS and place in the “problem” folder.
