# Summary

Origin-destination survey on Route 43 from Mall at Wellington Green to Intermodal Transit Center and Route 62 from Mall at Wellington Green to Lake Worth Beach in Palm Beach County, Florida. An interview survey was collected on-board. Participants gave their origin/destination location, bus route numbers, trip distance, and travel time duration. The final survey included 2,563 participant responses.

Table/File Definitions

Table	Description
survey_trips	Trips recorded in the survey

## Column Definitions

Column	Table	Description
barcdval	survey_trips	Barcode number on the card issued to the boarding riders.
day	survey_trips	Day of the survey performed.
dirction	survey_trips	Direction of the bus travelling.
disonstp	survey_trips	Distance between the location where the card was scanned for the boarding rider and the nearest bus stop. Distance is in meters.
dsoffstp	survey_trips	Distance between the location where the card from the alighting rider was scanned and the nearest bus stop. Distance is in meters.
off_id	survey_trips	Serial number to identify the record in the data base.
off_lat	survey_trips	Latitude where the card was received from the alighting rider and scanned.
off_lng	survey_trips	Longitude where the card was received from the alighting rider and scanned.
offstopid	survey_trips	ID number of the alighting bus stop.
on_id	survey_trips	Serial number to identify the record in the data base.
on_lat	survey_trips	Latitude where the card was scanned and issued to the boarding rider.

on_lng	survey_trips	Longitude where the card was scanned and issued to the boarding rider.
onscntm	survey_trips	Time when the card was scanned and issued to the boarding rider.
onstopid	survey_trips	ID number of the boarding bus stop.
routenum	survey_trips	Bus route number.
trvltnmn	survey_trips	Duration of the rider from boarding to alighting in minutes.
trvltnsc	survey_trips	Duration of the rider from boarding to alighting in seconds.
